

2 BJP-ruled States resist health plan

Posted at: 09/07/2018

According to a government official, the Rajasthan and Maharashtra governments are running similar projects catering to a much larger population in their States.

The official said though the Rajasthan government has welcomed the Centre's scheme, "they are not sure how to implement it, as they already have the ongoing Bhamashah Swasthya Bima Yojana, under which cashless health care services are provided to around 4.5 crore people."
