

# Neutral Net critical for India, says TRAI chief R.S. Sharma

Posted at: 18/07/2018

## Highlights

- In his first interview since the government approved TRAI's net neutrality recommendations, the outgoing Chairman of the Telecom Regulatory Authority of India, R.S. Sharma, talks about its importance for India.
- He also counters allegations of bias against himself as well as objections raised against TRAI's recommendations for public Wi-Fi hotspots.
