

The deepening disconnect

Posted at: 29/06/2018

Differences on many fronts such as

- US's backing out of nuclear deal with Iran and imposition of sanctions act against those who are conducting business with Russia and Iran.
- Reoriented south Asia policy of USA involving Pakistan.
- Various issues related to bilateral trade have caused the rift in relationship on many fronts
- The article deals with the strategic and regional effects of the reoriented south Asia policy of USA and its effects on India's engagement with Iran and Afghanistan
